

February 2011

Dear parents,

The CSD Annual Golf Tournament will be held on Friday, April 29, 2011 at 10 am at Pine Island Country Club in Charlotte, NC. As you all know, this is a very concerning time in the world of educational economics. We are expecting a major funding decrease next year and our Board and staff will be working to plan appropriately. As always, our goal is to make our way through the difficult times while not compromising our vision of education. Our teachers have already taken pay cuts to support this vision once in the recent past and we are deeply concerned for the coming year. We realize that this is a very difficult time for all of our families with this challenging economy. Unfortunately, our children cannot wait until things get better in the economy for us to give them the education that they deserve. That means that we will have to work hard and be very creative for the next few years for us to reach our goals. I believe in my heart that our CSD Community can make this happen with our collective efforts! We thank our CSD parents, staff, students and community for your ongoing support.

Even if you're not a golfer, your participation as part of the CSD "Team" is crucial to our Golf Tournament success. We are asking your family to help in the following two ways:

- Secure one business or private sponsorship for the tournament (Sponsorships range from \$50 - \$2,000)
- Spread the word to golf lovers who may want to participate in the tournament

Sponsorships:

A wide range of sponsorship options are available for businesses and families. We are asking your family to secure **one sponsorship** (either business or private) for the tournament. We are sending out information in this packet well in advance to allow you ample time to accomplish this task. When you have secured your sponsorship please print and send in the "Sponsorship Form" with a check made payable to CSD Student Association.

Business sponsorships can come from businesses that you frequent or from your own place of employment. This is a wonderful way for businesses to give back to the community. It can be a restaurant, doctor, dentist . . . the list is endless. Sometimes it just takes asking. It is great exposure and advertising for a business to be associated with our school and enriching education in the community. It's a win-win situation for all participants!

Private sponsorships are another way to gain support. This is a great time for grandparents, distant relatives, neighbors, or even your own family to support CSD!

Golfers:

Golfing positions for the day of the tournament can be secured on an individual or "foursome" basis. You may not be a golfer, but chances are that you know someone who would love to play in our tournament. We are asking each family to spread the word to golf lovers. If you are a golfer and would like to participate, send in your forms as soon as possible. Spaces are limited and will be assigned on a first come, first served basis. Please see the "Golf Registration Form" for more information.

Volunteer positions:

Volunteers are needed on the day of the event to help with a multitude of tasks ranging from displaying signs to baking brownies. If interested in volunteering please print, fill out and send in the "Volunteer Form."

In conclusion, please join with me and the entire CSD community to make this year's CSD Golf Tournament a great success. Your participation will benefit not only your child but the entire community of children at our wonderful school! As always, I look forward to the wonderful things our efforts together as a community will bring for our children.

Most Sincerely,

Joy K. Warner

CSD Director
