## 6<sup>th</sup> Grade Student Survey

(Please fill out and give to Advisor at August Covenant Conference)

Name: \_\_\_\_\_

Birthday: \_\_\_\_\_ Advisor: \_\_\_\_\_

*We are very excited about middle school starting, and know you are, too! Please help us get to know you better by answering the questions below as best you can. This will help give your new teachers an idea of who you are as they prepare for the beginning of 6<sup>th</sup> grade.*

1. How do you think middle school will be different from elementary school?
2. What concerns you the most about going to middle school?
3. What do you most look forward to about going to middle school?
4. What would you like to learn in middle school?
5. What is your most challenging subject in school?
6. What subject in school comes easiest to you?
7. What qualities have your past teachers had that helped bring out the best in you?
8. What qualities have your past teachers had that frustrated you?

9. How many brothers and sisters do you have and what are their ages?
  
10. Where are you in that order? (oldest, youngest, middle...)
  
11. In what ways do you feel like you contribute to your family at home?
  
12. What do you usually do when you get home from school?
  
13. At what age do you think children should have access to the Internet?
  
14. On a scale of one to ten, how much freedom do you think you have at home as compared to your friends?  
(one meaning your parents keep a very close watch on everything you do, ten meaning you are pretty much on your own)
  
15. How do you feel when you're responsible for yourself?
  
16. What is your opinion about rules and guidelines?
  
17. How often do you stay at home without any adults?
  
18. Who are some of the friends you spend time with outside of CSD and what are their ages?

19. In what ways would you like to be more involved with decision making at school?

20. What sorts of school wide activities are you hoping to have in middle school?

21. What kind of a learner do you think you are? Please put a check next to your preferred method(s) of learning a topic. (Check as many as you'd like):

Listening to someone talk \_\_\_\_\_

Having a discussion with others \_\_\_\_\_

Doing experiments or something else "hands on" \_\_\_\_\_

Researching the topic and then writing about it \_\_\_\_\_

Acting it out or singing a song about it \_\_\_\_\_

Some other way not listed here \_\_\_\_\_ (Please explain below if you checked here):
