2009-2010 Special Activity Expense

CSD students participate in many field trips and other special programs throughout the school year. These programs vary by grade level but typically include attending theater performances, visiting museums, having guest speakers and other performers visit CSD, and overnight trips for some grade levels. Instead of collecting money for each activity, CSD parents have asked us to simplify the process by allowing families to pay in one or two installments. The cost is \$150 per student and these funds will be used to defray the cost of the programs and transportation. Families can choose to pay this at the beginning of the school year or they can split the expense throughout the year. If this is a financial hardship, please see or e-mail an administrator. Students at CSD will participate in ALL activities regardless of payment status.

Student(s) Name:

Amount Enclosed: \$ _____

Date: _____

Please do not submit before July 1, 2009. Thank you!
